PORTFOLIO

PROFILE

Student owner of a BTS SIO diploma, 2nd year at Sainte-Ursule High-School in Caen.
My qualities are my capacity to innovate and adapt to new situations.
I'm perfectionist, curious and motivated.
Listening and ready to help, I like everything that has a link to IT and computers.

COMPETENCES

I'm fluent in English and capable of working in group as well as autonomously.

PROFESSIONAL EXPERIENCES

Traineeship report - French

TRAINEE/DEVELOPER • GLOBELISTER • 2017 – 2 MONTH

Set up of the back end of a website in collaboration with another trainee while following an action plan that was given to us. We were instructed to manage the database and create errors detection warnings on the main page. I also had to give them the possibility to manage the access rights to any other administrator depending on the page they would want to access.

TRAINEE • PROM'Informatique • 2012 – JANUARY

In collaboration with another trainee, we had to build computers for clients all the way to the selling point and managing the inventory of products sold on the company's website.
