Vue Global

The screenshot shows the SCRUMTOOL application interface. At the top, there is a navigation bar with "File" and "Help" options. On the right side of the header, it says "Hello Anthony Gautreau", "Profile", and "Sign out". The main area features the SCRUMTOOL logo and a table titled "Sprints". The table has columns for "Name", "Product", and "Finished". The data in the table is as follows:

Name	Product	Finished
MainSprint	BugReport	33%
Sprint2	Plan2Test	0%
Sprint1	BugReport	0%
gdsgds	ScrumTools	0%
fqqfs	ScrumTools	0%

Below the table, there is a large, empty blue rectangular area. At the bottom of the interface, there are several buttons: "Add sprint" (green), "Edit sprint" (blue), "Edit Collaborators" (purple), "Open" (yellow), and "Delete sprint" (orange).
