## ORELSAN • DANS MA VILLE ON TRAINE

Making this video had for goal to put pictures on the lyrics on a song of a French singer, which describes the city I am from, Caen, in order to help others, who never got the chance to go there, understand how the city is and share our feelings regarding Orelsan's lyrics.

It took us a week and a half to make.

This video has been congratulated and relayed by several media:

## CAEN OUISTREHAM • LA BALADE

For this video, I decided while biking from my city of Caen to go to Ouistreham and record parts of my fifty-five kilometer trip to make a souvenir video.
